Interdisciplinary Doctoral School and International Cooperation Centre at Lodz University of Technology announce the start of recruitment for Lodz University of Technology PhD students in the call for applications for funding mobility in the project "*Curriculum for advanced doctoral education & training - CADET Academy of TUL*", implemented by Lodz University of Technology under the STER Programme - Internationalization of doctoral schools.

The project is implemented by Lodz University of Technology under an agreement with Polish National Agency for Academic Exchange and financed by the NAWA.

The main goal of the Programme is to support on a systemic basis the internationalisation of doctoral schools.

Recruitment offers mobility funding, **12 trips in total for IDS TUL students.**

The mobility funding may be used, inter alia, for financing a stay related to gathering materials for a doctoral dissertation, acquiring specific research equipment operating skills or improving international grant writing skills.

Mobility should be carried out **by November 30, 2023 at the latest. The duration of the mobility period is minimum 3 months and maximum 6 months.**

Project participants will be provided with the following funding under the Project:

- living expenses at a flat rate (**PLN 8,000 - PLN 12,000 per month**) depending on the country
