

IGTI-4-CEE

 **Exciting Opportunity for Young Talents in Central Eastern Europe!** 

★ IGTI-4-CEE: ASME for CEE Young Talents in Energy Transition ★

Are you passionate about shaping the future of energy in Central Eastern Europe (CEE)?  ASME IGTI invites you to be a part of the IGTI-4-CEE program, dedicated to addressing decarbonization challenges and fostering knowledge exchange in the CEE region.

About IGTI-4-CEE:

The IGTI-4-CEE program is a gateway for young talents in the field of energy and turbomachinery to connect with the ASME TurboExpo conference. This initiative is designed to empower the next generation of leaders, providing them with unique opportunities to contribute to the energy transition.

What will you get?

- Free participation in the ASME TurboExpo conference in London
- Accommodation and flights included
- Participation in preparatory meeting in May
- Support of local Mentor

 **Application Deadline: March 31, 2024**

How to Apply:

Ready to seize this opportunity? Apply now through the official registration form: IGTI-4-CEE Application Form (<https://40442.aidaform.com/igti-4-cee>)

Why Apply?

By participating in IGTI-4-CEE, you will:

- Gain insights into the latest advancements in energy and turbomachinery
- Network with industry experts and professionals
- Contribute to the ongoing energy transition dialogue in CEE

 *Don't miss your chance to be part of the energy revolution in CEE!
Apply today and unlock a world of possibilities.*

ASME for CEE Young Talents in Energy Transition

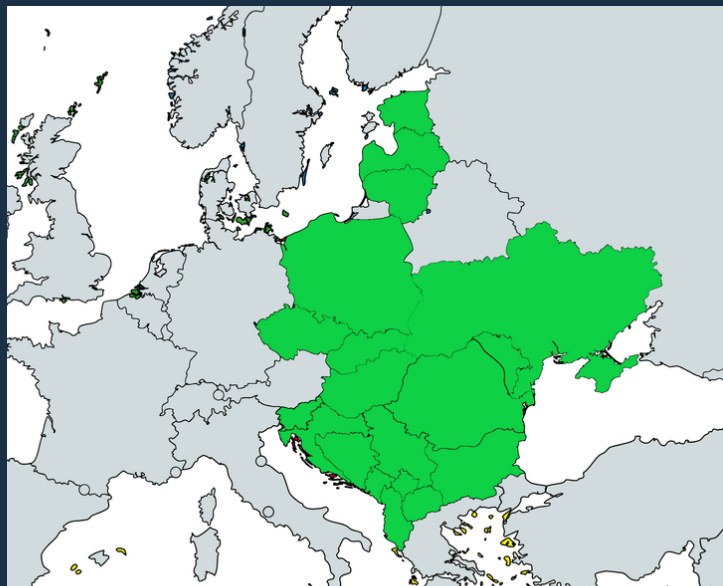

Addressing decarbonization challenges in CEE region to ASME IGTI support and knowledge.

Key Highlights

- 4 groups with 5-day Complementary Fee for ASME Turbo Expo 2024 in London
- Each group consists of a supervisor & 3 PhD/ECRs
- Four pilot localization in Poland, Czechia, & Romania

Timeline for TE24:

- Selection of CEE young talents (March 31, 2024)
- One-day CEE Team Integration regarding CEE Decarbonisation Needs, Warsaw (May-June, 2024)

ABBREVIATIONS:

CEE: Central and Eastern Europe (Excluding Russia & Belarus)

ASME: The American Society of Mechanical Engineers

TE: TurboExpo (flagship ASME conference)

IGTI: International Gas Turbine Institute

ECR: Early Career Researcher

TEC: Technical and Engineering Committees

Central Eastern Europe
(IGTI-4-CEE)

LONDON

Conference: June 24–28, 2024

The ASME Turbo Expo Technical Conference and Exposition convenes global experts in a wide range of technical areas and thus offers a unique platform to actively address propulsion

Join 2,500-plus turbomachinery and propulsion engineering leaders from industry, academia, and government. IGTI-4-CEE includes a special track of tutorials addressing the decarbonization challenges.
