

Professor
JOHAN MAGNUSSON

SGH Doctoral School
NAWA STER SEMINAR

COLLABORATING TO DELIVER
A (GREAT) PHD THESIS

Benchmarks - Mechanisms -
Best Practice

6, December 2024,
09:00-12:30

MsTeams

● ● Professor Johan Magnusson, Director of the Swedish Center for Digital Innovation, is an internationally respected scholar in digital transformation, known for his influential contributions to the field and his leadership in bridging research and industry.

● ● The **objective** of the seminar is to showcase **best practices**,
● ● **mechanisms and benchmarks** framing the long journey to the PhD degree, as well as challenges and problems PhD students, supervisors, and administrators face in that process. The seminar will offer a unique opportunity to gain an insight into current developments and practices by means of which so called **throughput** can be increased.

Moderated by:

- ● Professor Paweł Wyrzębski, PhD., Dean of the SGH Doctoral School
- ● Professor Anna Visvizi, PhD., Rector's Representative for the SGH Doctoral School
