**List of available mobilities  
in the project titled: "IMPROVE - International Mission  
for the Promotion of Research and Optimal Values in Education",  
implemented by Lodz University of Technology under the programme  
STER – Internationalization of doctoral schools – 2024 Call, financed by NAWA, task 2 "Crossing  
borders and horizons", for the best doctoral candidates from Poland and abroad, pursuing training  
at the Interdisciplinary Doctoral School of Lodz University of Technology  
in the 2026/2027 academic year  
2nd edition**

1. The project provides for at least 20 mobilities lasting 1 or 2 full months, intended for doctoral candidates from each of the scientific disciplines included in training at IDS TUL.
2. Depending on the funds available in the project budget and the assessment of the applications submitted by the Applicants, the University's Qualification Committee will decide on the allocation of additional mobility.
